

PETROLEUM SOLVENT & CLEANER

Oil-OFF™

A SAFE, EFFECTIVE NON-FLAMMABLE BIO-SOLVENT FOR CLEANING OIL AND GREASE SPILLAGE, RESIDUE, OR BUILD-UP

i-SOLV Research Laboratories introduces Oil-OFF™ – a breakthrough technology that provides a powerful solution to effectively and safely deal with any combination of soil, mud or sand mixed with heavy oils.

Oil-OFF™'s powerful surfactants and wetting agents aggressively penetrate through almost any kind of soil, leaving it soft, pliable and easy to rinse. At the same time powerful yet safe synthetic and organic solvents break up and emulsify heavy oils such as bitumen and tar. In addition Oil-OFF™ is designed to inhibit corrosion, eliminate static electric charge, and prevent the re-deposition of soils.

Whether faced with invert mud, dirt mixed with heavy oil, tar sands or any other scenario with such mixtures, Oil-OFF™ will get the job done. And in keeping with i-SOLV™'s uncompromising mission to provide environmentally-friendly solutions, Oil-OFF™ delivers this incredible performance without compromising safety or ecological integrity.

PRODUCT BENEFITS

- Non-flammable
- Fast penetration
- Significantly reduces cleaning time
- High soil loading capacity, high solvency
- Will not damage paint or decals
- No special handling requirements
- Reduces risk & improves worksite safety
- Not regulated under dangerous goods
- Non-corrosive, free-rinsing, no residues
- No phosphates or acids
- No chlorinates, butyls or halogen
- Low toxicity, low VOC's

Oil-OFF™ INDUSTRIES & APPLICATIONS

OIL FIELD EQUIPMENT

Service rigs
Down-hole tools
Well head cleaning
Pipe breakage or leakage
Valves & Spigots
Pumps

HEAVY MACHINERY AND INDUSTRIAL MECHANICAL APPLICATIONS

Bulk haulers and dump trucks
Excavators
Drills
Bulldozers
Backhoes
Loaders
Graders

LIGHT AND HEAVY-DUTY VEHICLES

Mainframes
Engine compartments
Undercarriages
Swing gears
Suspensions
Hydraulic tanks
Oil lines

PROCESSING EQUIPMENT

Pumps
Motors
Mixers
Blending containers
Transport units

BULK TANKS & HOLDING CONTAINERS

Fast acting, quick-penetrating solution is perfect for cleaning up spot applications around access points, valves and openings or oil and grease containers. Particularly suitable for confined spaces due to the non-flammable nature.

MANY OTHER USES

Whether faced with invert mud, dirt mixed with heavy oil, tar sands, heavy grease, asphaltene, road tar, distillates, mineral oils, paraffins or any other scenario with such mixtures, Oil-OFF™ will get the job done.

And in keeping with i-SOLV™'s uncompromising mission to provide environmentally-friendly solutions, Oil-OFF™ delivers this incredible performance without compromising safety or ecological integrity.

i-SOLV™ NEW NON-FLAMABLE BIO-SOLVENT Oil-OFF™ MAKES EFFECTIVELY CLEANING SOIL, MUD OR SAND MIXED WITH HEAVY OILS BOTH SAFE AND EASY. FIND MORE INFORMATION ON OUR WEBSITE.

Oil-OFF™ achieves optimal performance at full strength. However, Oil-OFF™ can also be used diluted with water. Dilution rates should be experimented with, starting at low dilution rates and working to higher rates. After water is added, shake container briskly to remix before each use, as over time the product separates from water. Use hand sprayer, pressure canister or power washer.

Please see the Material Safety Data Sheet for safety and handling guidelines for this product.
